The Ediface-

Adjacent to the Common you will find a structure of tarnished copper and timeworn brick—Charlton High School. Scores of pupils have sat in her many desks, tread up and down her echoing corridors, and enjoyed the warm friendships kindled by her atmosphere. In this building, we learn, laugh, and enjoy becoming responsible citizens.

Teachers and Text-

Found here are innumerable books that find their place in overcrowded facilities. They supply the fundamental theories upon which a dedicated faculty must rely. With their personal touches, these teachers add the interest to the field they must try to interpret for students to grasp. Together these two controlling factors are the basis of an education aimed towards bright and sincere futures.

The Students-

The bulk of the school's population is found in her attending students who number over four-hundred. They are the center of the picture of life at Charlton High School as their achievements are the school's primary goal. With their individual skills they stand together in triumph and in defeat.

Ingenuity, Curiosity-

With a student body as active as ours, unique ideas are continually being developed. When realized these sometimes "wild and weird" thoughts produce amazingly successful effects. The curious minds wonder, then ask and finally get their response. For instance, how many Seniors can you fit in a tire tube?

Variety-

The differences in personalities of the students and teachers account for the variety of capabilities and opinions to be found here. These in turn provide for unlimited possibilities for learning and friendship.

Unity-

Despite the diversity of the students, unity manifests itself in many ways. All the students share a common purpose for being here—the acquiring of a foundation for a future life. School spirit is quite evident at all types of intra-school activities; and good-natured rivalry between classes is always apparent.

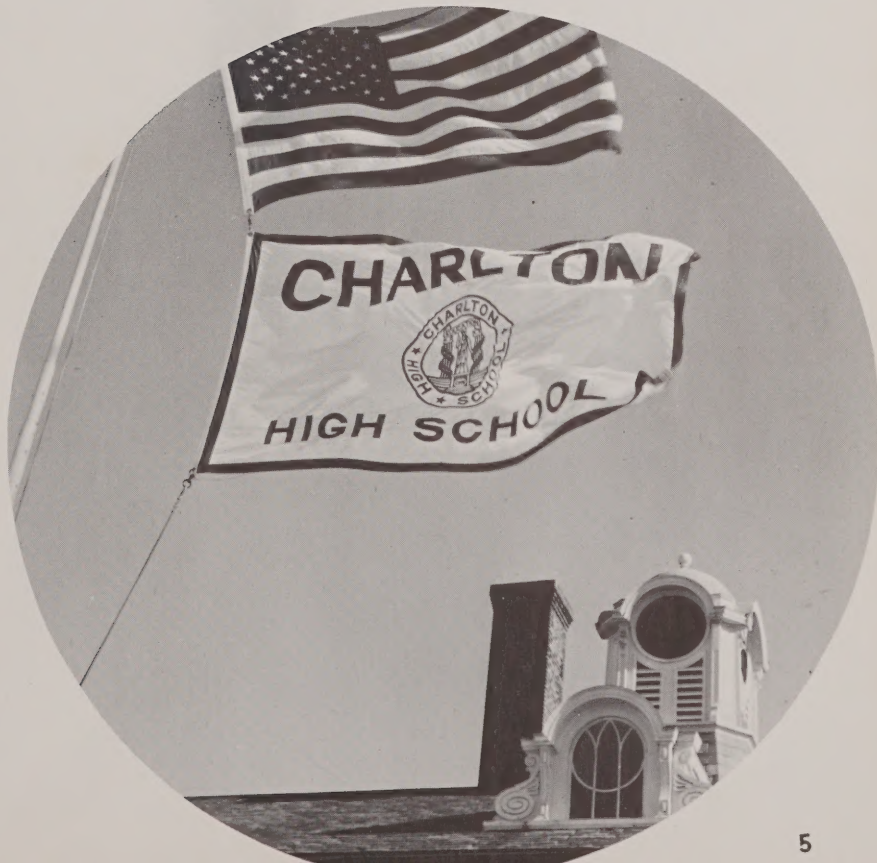

Talent-

Each student at Charlton High School has a chance to show his own abilities in any or all of many areas. These range from the athletic field to the school newspaper to the Math team, passing Art Classes and the Spring Musical Comedy on the way. Talent is abundant at Charlton High.

This is the complex world of Charlton High School.

Found here are the many admirable qualities that make this school of education, our high school, so memorable.

Salutation

The Senior Class of 1968 now takes pride in saluting an English teacher who is widely known and admired, Mrs. Mabel B. Fiske.

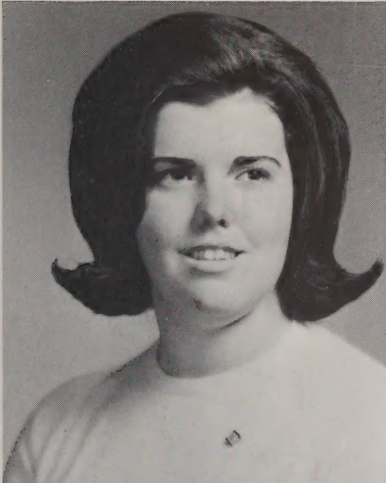

Quick to praise and comfort, she has contributed her efforts to her main concern—the youth of Charlton. As head advisor of the Senior Class, she has arduously worked with teenage citizens in their class and school activities.

Students—who have known her as their English teacher or as Senior Class Advisor—realize that she has given them something irreplaceable—friendship.

Acknowledgement

In the Senior year of high school, it takes special effort for a student to keep his or her scholarship above average. With the varied activities and multiple organizations, these teenagers are faced with a difficult task: how to spend the hours of a day. Fifteen such Seniors found time to make the Honor Roll, a fact the entire class shares with pride.

Years To

We, the class of 1968 began the first stage of our four-year journey through high school under the direction of Mrs. Mabel Fiske and Mr. Andrew Piwcio. Our first business was that of electing officers. They were as follows: president—Bob Demers, vice president—Debby Drake, secretary—Cathy Allen, treasurer—Allan Babineau and representative—Gerry Truscott. On October 23, 1964, we had our first big event, our Freshman Hop, featuring the fabulous “Beatles.” Eagerly we waited for June 19, when we would travel to the “World’s Fair.” The trip was just tremendous and enjoyed by everyone.

September finally arrived, and we journeyed into the second step of our four-year high school career. Our first step was to elect officers and we started with the following: Cathy Allen—president, Howard Serfert—vice president, Gerry Truscott—secretary and Nancy Nale, Susan Pontbriand, Judy Piehl and Mark Gunter were representatives. Our Sophomore Hop was held on October 8, 1965, and was a great success. Later on in the year, we voted on Riverside Park to be the site of our annual class trip. It was a very enjoyable and profitable year.

The jolly juniors we became at last, with Allan Babineau—president, Pamela Brown—vice president, Gerry Truscott—secretary and Susan Houle—treasurer. Our representatives were: Judy Piehl, Sandy Stegenga, Dave Jenkins, and Marc Reardon. On September 30, 1966, we held our Junior Hop featuring “Eric and the Vikings”. Success, it was with a large turnout! Next came the arrival of our class rings in October. Our Junior Prom was held on May 19, 1967; this was the first prom that was held outside of the town. Treasure Island was the scene with “Song of the Islands” as our theme, and cranberry, white and pink as our class colors. We had a lovely swimming pool room, with the band on a platform over the water and table around the sides of the pool. We would like to thank our advisors and everyone who helped to make it a most enchanted evening. A week later, we made a trip to “Expo 67” in Montreal, Canada, a time that proved to be enjoyable for all who went. We came to the end of our Junior year feeling very proud and satisfied with our social and

Remember

financial attainments and looking eagerly forward to this last lap of high school—our Senior year.

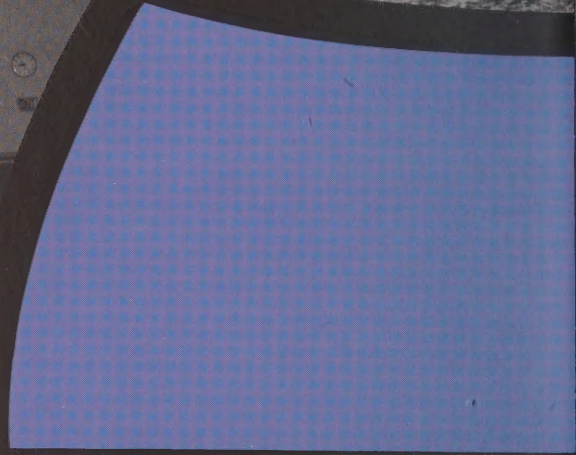

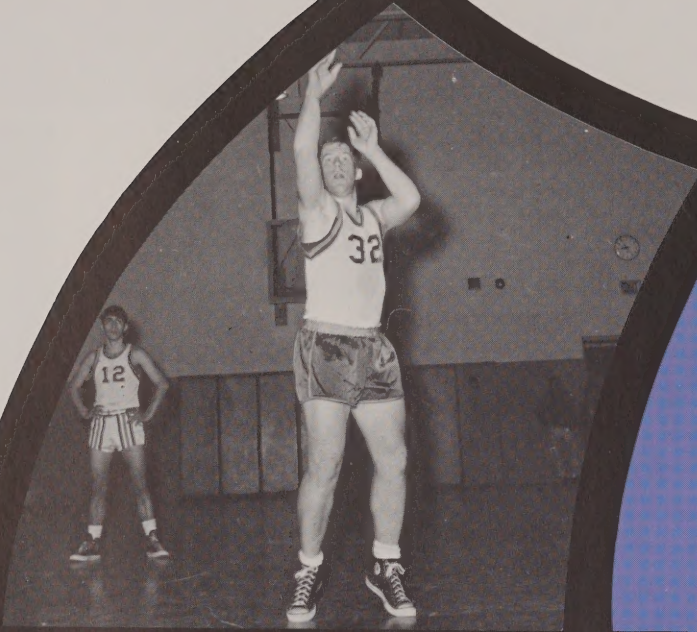

As typical seniors, we began our final year at Charlton High School with Mrs. Mabel Fiske and Mr. J. William Zoldak as our class advisors. The following class officers were elected to guide us through our final year: Allan Babineau—president, Pamela Brown—vice president, Susan Pontbriand—secretary and Roger Meservey—treasurer. Our representatives were: Gerry Truscott, Judy Piehl, Dave Jenkins and Howard Seifert. The first of our activities was the Senior Hop which was very different from all others. It was a great social success. Following this was our drive to sell Christmas cards and paper. The yearbook was our main project this year and we began working on it in August. Our Yearbook staff and editors spent many a night and day putting the 1968 Charltonian together.

Next, on the list of activities came our Senior Play, "Stage Door" under the hard working directors, Miss Judith Blake and Mr. William Taylor. The play was a tremendous success, dramatically and financially. With our famous senior amateurs—Lowell Bond, Bob Demers and Kay Ewing as our leads, it had to be a success.

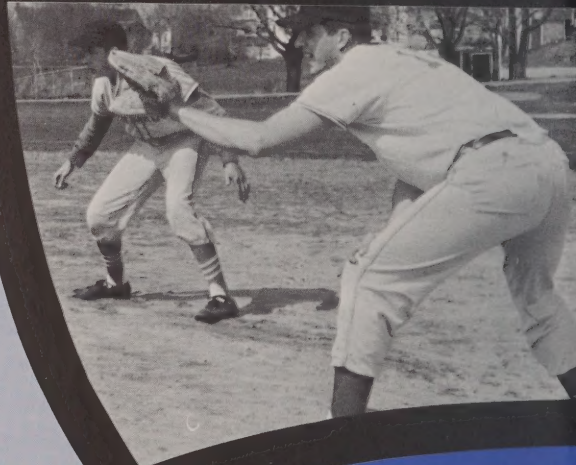

On March 30, 1968 we held our Senior Supper, under the supervision of Mrs. Seifert. Our spaghetti and meatballs were delicious!

As our four-year journey comes to an end, we would like to extend our sincere gratitude to all those who have so unselfishly given of themselves and their talents to help us through our high school years. We will always be thankful to the following people: Mr. William Ball—our school principal, Mrs. Mabel Fiske, Mr. Andrew Piwcio and Mr. J. William Zoldak our class advisors, Miss Blake and Mr. William Taylor—our Senior Play directors, Mr. Paul Dowgiert—art director for our Junior Prom and Senior Play, the Charlton School Committee Board and Mr. Robert Ewing—superintendent, and all other faculty members, and above all, our beloved parents for all their understanding, patience, guidance, and many hours of work forces—The Class of 1968.

Advertisers

As everyone can see for himself, this yearbook is bigger and better than ever before, but none of this success could be possible without our advertisers; and because we realize this fact, we have added candid pictures to our advertising section in order to make advertising in the CHARLTONIAN worth their while.

We wish to thank our advertisers for helping to make our yearbook possible.

The illustration features a classical building with a portico supported by several columns, set against a dark background with stylized clouds. A large, light-colored bow is superimposed over the scene, with its ribbon extending across the frame. The bow is tied in a traditional knot, and the ribbon loops around it. The overall style is that of a vintage woodcut or linocut print.

We Salute You!

Congratulations and the best of luck! We at Loring are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Loring Studios when you want photographs to help you remember other momentous days to come! When you choose Loring portraits, you are sure of the finest craftsmanship at the most moderate prices!

COMMENCEMENT

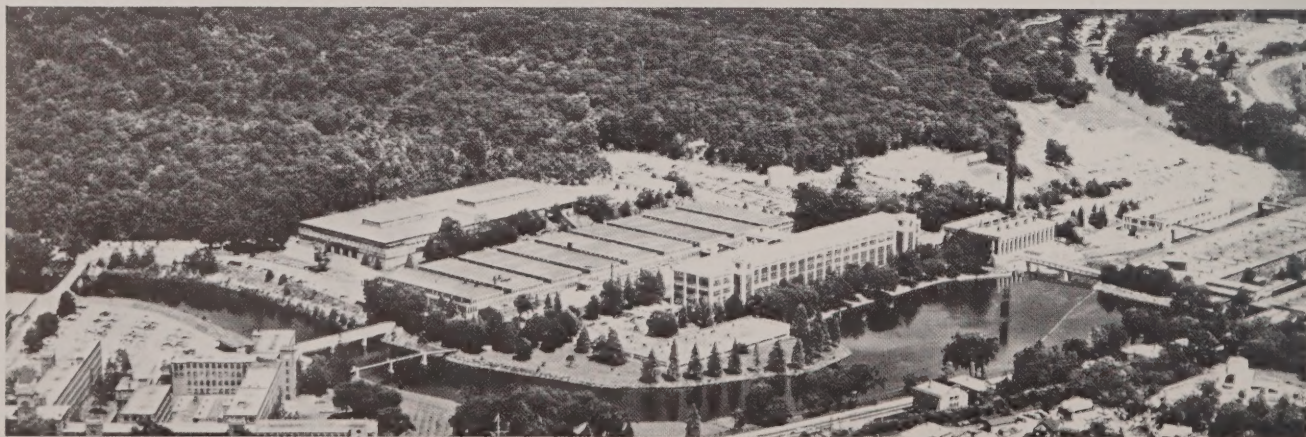

Reflect, if you will, on the word Commencement. Not only does it mean a celebration of four successful years, but also a "beginning of graduation life." Actually, at your High School Commencement you are just starting to assume life's major responsibilities. The diploma you receive is not only a reward, but a passport to this future responsibility. American Optical Company congratulates you on your "Commencement." Our best wishes go with you as you assume new duties and obligations that will further mold you into a successful American Citizen.

 Congratulations!
